REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claim 3 is allowed and has been renumbered as 1.

The 112 second paragraph rejection is withdrawn in view of the amendment.

The cancellation of claims 1, 2 has rendered moot the rejection under 35 U.S.C. 102(b) as being anticipated by JP 63132795.

JP 63132795 discloses a biphenyl compound embraced by the instant compound of formula I. The soldering flux containing the prior art compound is used on printed-circuit boards for easy cleaning with freon 113. Motivation to modify the prior art method to arrive at the instant invention is lacking.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Evelyn Huang whose telephone number is 703-305-7247. The examiner can normally be reached on Tuesday-Friday.
